ONE HUNDRED THIRTY-THIRD ANNUAL REPORT

Easton's Union Society Church, built in 1859 and in use as late as 1950.

Town of
EASTON
New Hampshire
Year Ending December 31, 2009

The 2009 Easton Annual Town Report is Dedicated to Bode Miller

Nationals 1996

Bode Miller, born and raised in Easton, is a third generation Easton resident. He is the grandson of Jack and Peg Kenny who established the Tamarack Tennis Camp. Bode, son of Jo Miller and Woody Miller, grew up at Tamarack surrounded by energetic competitive athletes, playing tennis, soccer and skiing Cannon Mountain. He attended Lafayette Elementary School and Profile High School.

Bode transferred to Carrabassett Valley Academy his sophomore year to pursue his love for ski racing, returning to Easton in the summer to play tennis and soccer and to help his uncle Mike build tennis courts. In his senior year at CVA, Bode was named to the US National Ski Team.

Overall World Cup Champion in 2005 and again in 2008, he also participated in the Olympics at Nagano, Salt Lake City, Turin, and now Vancouver. Two Silver medals in Salt Lake, and now Bronze in the downhill, Silver in the SuperG and GOLD in the combined, 'three, so far', he told his Mom the next day! With five Olympic medals, he is now the most decorated American Olympic Skier ever.

Bode has also established the Turtle Ridge Foundation supporting, in part, youth sports programs.

Bode has thrilled young and old with his breathtaking trips down the race course and surely will inspire our youngsters in Easton and surrounds to ski fast, take chances and be true to yourself. We are proud of his accomplishments and dedicate this Annual Report to Bode Miller.

SELECTMEN'S REPORT

The Town of Easton Selectmen continued to conduct the routine business during the past year of 2009.

- Reviewing and approving permits.
- Working with our State approved assessors to insure that property appraisals and reappraisals are completed on a timely basis.
- Enforcing Town Ordinances.
- Making welfare and tax abatement decisions.
- Enforcing the Zoning regulations required by State Statute.
- Working and supporting various Town and State positions and projects.
- Attending municipal training and information programs in order to keep abreast of changes in the State Laws that might impact our Town.

Town Reassessment: We continued to work with the appointed Town Assessors to complete another 25% re-measure and re-list of the parcels. During 2010 a valuation update will be conducted using values obtained by updated Department of Revenue studies and sales analysis. In 2009, working with the Town Clerk and the State Department of Revenue, the Selectmen were able to raise our equalization ratio. This ratio increase places the Town in a more favorable position regarding State funding to our Town.

Fire Department: We would like to note, as always, that our Town Volunteer Fire Department once again has provided a service to the community that is greatly appreciated. Included in these services are responses to fires, personal emergencies, accidents, storm damage, road clearing and other types of calls that we may have missed. Please keep in mind that the Fire Department is made up of volunteers who always need additional help for numerous tasks, and will welcome any volunteer assistance. Please contact Chief Casey or either of the Fire Wardens listed in the Annual Town Report if you are interested.

Town Buildings: During the year of 2009, we had repairs made to the Town Hall chimney, the heating system for the "old" part of the Town Hall, as well as the rear wall of the Fire Department building. Also, we had a portion of the parking area resurfaced. Our Town Hall Clean-up Day was again successful, and we had a fine turn out of willing workers who performed numerous tasks that enhance the looks and life of the building. The Fireman once again made the lunch an enjoyable and appreciated experience at the completion of the Clean-up Day.

Personnel & Boards: We have appointed a new Deputy Town Clerk. Shirley Boucher has replaced Barbara Collier who has retired from her duties after a very long and busy career in numerous Town job categories. Welcome Shirley, and our deepest appreciation and "Thanks" to you, Barbara.

Public Service: Once again regarding Public Service, we are going to quote Bob Craven.

"Town government can only function effectively when capable residents volunteer to serve on the various Town boards and committees that make this government work. We urge all residents to meet their civic responsibilities, and to avail themselves of the many opportunities to serve on one or more of our several Town boards and committees. This can be a valuable learning, as well as personally rewarding experience."

Respectfully submitted,
The Selectmen of Easton
Tom Boucher, Chairman
Kevin O'Brien
Sonia German

TOWN OF EASTON
TOWN MEETING MINUTES
March 10, 2009

To the inhabitants of the Town of Easton, in the County of Grafton, qualified to vote in Town affairs: You are hereby notified to meet at the Town Hall in said Town on Tuesday, March 10, 2009. Polls will be open from 3:00 PM to 6:00 PM for voting on Article 1. The Town's annual business meeting will follow at 7:00 PM.

The annual business meeting for the Town of Easton was called to order by the Moderator, Jim Collier, at 7:00 pm. Mr. Collier opened the meeting with the Pledge of Allegiance and after which he read the call to the Warrant and introduced the Select Board Members and the Town Clerk. He welcomed and thanked all in attendance for their participation in Town affairs pointing out the 300 year history of Town Meeting. He discussed the rules of order referencing Roberts Rules and the procedure to challenge the Moderator.

A motion was then made by Barbara Collier, seconded by many to dispense with the reading of the entire Warrant. The motion passed on a unanimous voice vote.

4721 – Interest on \$120,000 Construction Bond	<u>3,634.00</u>
Total Operating Budget	\$202,945.00

Moved by Tom Boucher that the Town raise and appropriate the sum of \$202,945.00 for general Town Operations. Seconded by Nicole Ashton.

Bob Every moved to amend the motion by deleting the \$15,000 amount for the North Country Council fee to help the Town's Master Plan. This amount is included in account 4191-Planning and Zoning. The motion to amend was seconded by Denys Draper. A lengthy discussion followed, regarding the North Country Council's cost and the necessity to assist the Planning Board in developing an updated Master Plan.

Planning Board member Kathy Ouellette spoke for the Planning Board explaining that Easton's Master Plan as currently written would not adequately protect the interests of the Town as it developed. Kevin O'Brien, Selectman and Planning Board member, spoke about the need to plan ahead of eventual development and about the residents desire to maintain the current character of the Town as expressed in the recent

Planning Board survey. Betsy Baker questioned whether approval of the \$15,000 plan would automatically result in a lot size change, the answer was no, it would not. Moderator Jim Collier, speaking as Planning Board Chair explained the municipal planning of the level offered by North Country Council was beyond the capabilities of a lay person planning board such as we have in Easton and reminded the assembly that the Town residents had overwhelmingly expressed its desire to maintain the current character of Easton. Bob Every pointed out that our existing rules have worked to this point. Andrew Noyes compared the development of Bretton Woods and around Cannon Mountain to what was possible in Easton. Mike Platt asked whether a draft of a revised Master Plan would be presented to the Town for approval, the answer was yes it would be.

The motion to amend was voted on and failed on a show of hands vote.

Regarding the remaining motion, Walter Johnson questioned the increase in the Solid Waste account. The Board stated that the increase was for a new baler and structure to house it at the Transfer Station.

The motion to raise and appropriate the sum of \$202,945.00 for general Town Operations was then voted on. The Article passed on a unanimous voice vote.

ARTICLE 3. Town Road Maintenance Fund

To see if the Town will vote to create an Expendable Trust Fund under the provisions of RSA 31:19-a, to be known as the Town Roads Maintenance Fund, for the purpose of repairing and maintaining the Town's roads and to raise and appropriate the sum of \$9,500 to be placed in this fund and to further appoint the Board of Selectmen as agents to expend. The Selectmen recommend adoption of this Warrant Article. (Majority vote required)

Article 3 was moved as written by Tom Boucher and seconded by Nicole Ashton. Tom Boucher explained that the intention of the Article is to replace and rename the Town Repaving Reserve Fund so that the funds could be used to perform major road repairs and not restricted to repaving.

He also explained the relationship of the following Articles 4 and 5 to the outcome of this Article.

The motion was voted on and passed by unanimous voice vote.

ARTICLE 4. Town Road Repaving Reserve Fund

To see if the Town will vote to discontinue the Town Road Repaving CRF with said funds of \$23,000, plus accumulated interest to date to be placed in the Towns' General Fund. (Majority vote required).

Article 4 was moved as written by Tom Boucher and seconded by Kevin O'Brien. Denys Draper requested an explanation of the difference in the language of CRF (Capital Reserve Fund) vs. Expendable Trust Fund. The Board answered that the CRF required Town Meeting approval whereas the Expendable Trust would not, based on the vote on Article 3.

The motion was voted on and passed by unanimous voice vote.

ARTICLE 5. Town Roads Maintenance Fund

To see if the Town will vote to raise and appropriate the sum of \$23,000.00 to be placed in the newly established Town Roads Maintenance Expendable Trust Fund, with said funds to come from unreserved fund balance. This amount represents the funds from the discontinuance of the Town Road Repaving CRF. The Selectmen recommend this Article. (Majority vote required.)

Article 5 was moved as written by Tom Boucher and seconded by Kevin O'Brien. Walter Johnson asked about the difference between this fund and the Highway Maintenance Fund, (account 4312). The Board replied that account 4312 was for regular ongoing and routine road upkeep and that the Maintenance Fund would be for non-routine improvements and/or unanticipated repairs.

The motion was voted on and passed by unanimous voice vote.

ARTICLE 6. Capital Reserve Fund for Maintenance and Repair of Government Buildings

To see if the Town will vote to raise and appropriate the sum of \$5,000 to add to the Capital Reserve Fund for the maintenance and repair of all Town buildings. (The Selectmen recommend adoption of this Warrant Article.) (Majority vote required)

Article 6 was moved as written by Nicole Ashton and seconded by Kevin O'Brien. John Hynes asked where this Fund appeared in the report and whether the Select Board was authorized to expend the Fund. He was informed that it appears in the Report of Trust Funds in the Town Report and that the Select Board was authorized to expend the Fund by a vote of Town Meeting of 2008.

The motion was voted on and passed by unanimous voice vote.

ARTICLE 7. Fireworks Ordinance Amendment

To see if the Town will vote to amend the current fireworks ordinance, the new ordinance would include a time restriction “fireworks are prohibited between the hours of 10:00 pm to 7:00 am with the exception of the Fourth of July, in which case the time will be extended to midnight.”

Article 7 was moved as written by Kevin O'Brien and seconded by Ed Latta. Denys Draper questioned how the ordinance would be enforced by the Select Board. With a friendly reminder and a call to the Police if necessary, the Board answered. The Board explained that the current noise ordinance was unspecific with respect to fireworks and were advised by the NH State Police that it would be difficult to enforce.

The question was moved, the motion was voted on and passed by unanimous voice vote.

ARTICLE 8. Amend Dog Ordinance

To see if the Town will vote to amend the local dog ordinance to include RSA 466:30-a. This was a petitioned Article. The Selectmen recommend adoption of this Warrant Article. (Majority vote required).

Article 8 was moved as written by Tom Boucher and seconded by Barbara Collier. Tom Boucher explained the RSA as prohibiting dogs running loose i.e. not in immediate control by their owners. Anita Craven further explained that the RSA did not apply to working hunting dogs and spoke in favor of the Article. Steven Sabre questioned the need for the ordinance and was informed that there was currently no Town ordinance against dogs running loose.

The motion was called, the motion was voted on and passed by unanimous voice vote.

ARTICLE 9. To act upon any other business that may legally come before this Meeting

Tom Boucher thanked outgoing Nicole Ashton for her service and contribution to the Select Board and the Town for the past 3 years. Nicole responded as to how different actually being a Selectperson was and wanted everyone to know that although at times a difficult job, it has also been educational and at times even fun and recommended a term on the Board to everyone.

Ed O'Brien, runner up for the open Select Board position thanked all who supported his run and offered his best wishes and congratulations to our new Selectperson, Sonia German.

Laura Treuman elaborated on the enclosed Library report and some additional current and planned activities of the Library.

Mike Platt informed the assembly that Verizon now has a communication tower on top of Cannon Mountain and that high speed access is coming.

State Representative Sue Ford, announced that the State Finance Committee would be meeting in Whitefield and encouraged residents to attend the meeting to share their opinions and provide input. She also encouraged the Board to watch for and pursue any available stimulus monies that become available.

Kevin O'Brien moved to adjourn the meeting, seconded by Tom Boucher, approved by all.

The Meeting was adjourned at 8:40 pm.

Respectfully submitted,
Bob Thibault
Easton Town Clerk

AUDITOR'S REPORT

I have examined the books and records of the Selectboard, Treasurer, Tax Collector, Town Clerk and Trustee of the Trust Funds of the Town of Easton for the year ended December 31, 2009 in accordance with the State of New Hampshire guidelines and audit procedures.

In my opinion, the statements contained in the 2009 Annual Town Report present fairly the financial position and operating revenues and expenditures of the Town of Easton for the year ended December 31, 2009.

PLANNING BOARD

The Planning Board has nearly completed the challenging job of reviewing and revising the Master Plan.

Since the mail survey of all property owners of the Town in the Fall of 2006, until the scheduling of the Public Hearing scheduled for January 6, 2010 in which the results of the Master Plan update are to be reported, the Easton Planning Board has engaged in multiple forums to seek the vision our residents hold most collectively concerning the future of Easton and to write it into a Revised Master Plan according to the requirements of New Hampshire Statutes.

The State of New Hampshire requires a Town to have a Master Plan in place on which to base its Zoning Ordinance and Subdivision Regulations. The State further encourages that the Master Plan be reviewed at least every ten years.

At the Town Meeting of 2009, the Town authorized the Planning Board sufficient funds to hire the North Country Council to aid the Board in collecting additional data, organizing the data and writing the Vision Statement that is the first required portion of the Master Plan.

In early April 2009, the Planning Board sought feedback via mail and email on the proposed Vision Statement. On April 25, Tara Bamford, Planning Director of North Country Council (NCC) and members of the Board were available to interact with the citizenry of Easton at a Pastry and Preservation presentation sponsored by the Conversation Commission. On August 5, the Board hosted a presentation by Tara Bamford on options for zoning to conserve open spaces in Easton including the concept of lot size averaging. The first Wednesday of every month of the year a major portion of the Planning Board agenda was dedicated to first hearing the voices of the public who attended these regular meetings and then adding this to the body of knowledge already collected. Public attendance and participation in these regular meetings was a great help in our thinking.

Planning Board members attended an educational presentation of Work Force Housing, a land use mandated by the State to be allowed in all towns. In September, we also attended the Law Lecture Series presented by the Local Government Center of New Hampshire. These lectures bring Boards news of changes in Law by the Legislature and Court interpretations of note.

A Sub-division that qualified as a Development of Regional Impact (DRI) per RSA 35:54-58 was announced by the Town of Lyman and your Board attended their Public Hearing and was invited to provide input. There was little or no impact to Easton.

In December 2, 2009, an application for a Minor Lot Line Adjustment was approved for Dr. Avid Kamgar at an announced Public Hearing.

Frank Woodruff was appointed as an alternate member of the Planning Board at the December meeting per RSA 673:6 II. Frank brings valuable experience and we welcome him to the Board.

We, the Board, offer our sincere thanks to Tara Bamford of the NCC for her assistance in guiding us through the development of the revised Master Plan. We also thank all the citizens who submitted surveys, attended meetings, hearings and otherwise provided input and feedback that allowed us to successfully write this latest revision.

LIBRARY REPORT

This year we have prioritized improvements of the physical plant of the Library, including Venetian blinds, reading lamps, a book cart and safety measures. We are well within Town budget with expenditures of \$374.38. Kudos to Steve Sabre for sharing his excellent carpentry and mechanical skills. His generosity has enabled us to expand the children's section and significantly brighten both rooms.

Out of the Easton Public Library Memorial Trust we spent \$511.05 for 27 new books, most of which were specific requests by patrons. It is community participation that makes our efforts worthwhile. Be sure to notice the list of new books posted on the Town Hall's bulletin boards.

Donations of used books totaled 137. Special thanks to Jim Collier for his gift subscription of Consumer Reports magazine. The number of borrowed books and magazines is 119, reflecting a wide variety of interests for 58 patrons.

Wish List: A sturdy wooden rocking chair with arms (no upholstery, please) and metal office desk and chair.

Lastly, our heartfelt appreciation to Barbara Collier, Library volunteer and trustee 2004-2009. Open hours are Thursday 3-5 or by appointment. Call Laura Treuman 823-8594 for an alternate time.

EASTON CONSERVATION COMMISSION

In its ongoing efforts to become more effective, 2009 saw the development of many new projects for the Conservation Commission. To be certain that we function properly and efficiently, we have created and approved Rules of Procedures. Also, to best utilize the diverse interests and abilities of the Commission members, we established the policy of working with sub-committees. Some of our ongoing projects include (but are not limited to) the following:

1. Land Use
 - Review of ridgeline and slope requirements
 - Review of building permit applications
 - Review of wetland restrictions
2. Heritage Projects
 - Surveying and documenting existing old barns and outbuildings. The survey includes taking photos, collecting old photos and recording the building's history.
 - Donna North has provided us with reproductions of historic photos which are the beginning of a heritage collection. This collection includes the original Easton Post Office sign which was donated by Joe Darvid.
3. Kinsman Cemetery - working with the Cemetery Trustees to see that the history of Easton, that is contained in the Cemetery, is preserved and documented. Cemetery Trustee Rich Larcom provided an informational program to introduce us to some of our founding fathers (and mothers).
4. Geographic and Heritage Site Projects
 - Tunnel Brook Project – We have established a cooperative partnership with the US Forest Service to include
 - a. Apple tree release
 - b. Awareness of potentially harmful and invasive species
 - c. Civilian Conservation Campsite preservation
 - d. Stream bed restoration for salmonid habitat which will also benefit other species
5. Presentations
 - Pastry & Preservation meetings
 - “Know Your Easton” walks

Our residents have expressed a strong desire to maintain the existing rural nature of Easton. Our goals are to educate and engage residents of all ages in the benefits of connecting with nature and preserving their environment.

We want to thank those of you who have supported our 2009 work and programs. We meet on the third Friday of each month at 8:00 AM in the Town Hall and all meetings are open to the public. We do not meet in the summer months.

FRANCONIA LIFE SQUAD

2009 Annual Report

The Life Squad draws its membership from the towns of Franconia, Sugar Hill and Easton. Each member dedicated to providing the highest quality emergency care, to the communities they serve.

All members are at a minimum, Nationally Registered Emergency Medical Technicians and are continually training and improving their skills. Each member must have a minimum of 24 hours of continuing education each year plus every two years must take a 24 hour refresher course and an extensive practical exam.

Congratulations to Bill Mead who having passed his National Registry Exams was advanced to the level of Paramedic. This means currently, five (5) of our members are certified to provide Advanced Life Support, three (3) of which are nationally registered paramedics. The Franconia Life Squad at year end had twelve (12) active members and a paramedic advisor. Additionally there are three (3) new members currently on probation. This will bring the squad membership to a total of fifteen (15) plus our advisor. The squad is well prepared to assist our citizens and visitors to our area with quality emergency medical care.

Many of the members have other specialized training including ice rescue, swift water rescue, high angle rescue and motor vehicle extrication certifications. All of the members are certified in advance CPR and in the use of the heart monitor and defibrillator. Most importantly, all of our members are dedicated to providing compassionate emergency medical care from the scene to the hospital.

Active members of the Franconia Life Squad at year end were:

Chief Paul Schmucker – EMT

Act. Chief Mark Taylor – EMT	Capt. Amy Cyrs – EMT
Bill Mead – EMT P	Steven Czarnecki – EMT –P
Flo Place – EMT –I	Allan Clark – EMT
John Ireland – EMT	Zach Manglone – EMT
Jon Place – EMT	Gareth Slattery – EMT
David White – EMT	

The number of calls that the Life Squad responded to in 2009 rose to 197, an increase of thirty (30%) percent over 2008 when there were 151 calls. The number of transports to the hospital also increased in 2009 to 92, a forty eight (48%) percent increase over 2008.

	<u>2009</u>		<u>2008</u>		<u>2007</u>	
	Calls	Transports	Calls	Transports	Calls	Transports
Franconia	133	85	111	54	108	62
Sugar Hill	44	3	26	1	32	0
Easton	17	3	11	6	8	6
Mutual Aid	3	1	3	1	3	1
Total	197	92	151	62	151	69

Revenue from transports increased 11% in 2009 due to the increase in transports.

In 2009, the operating expenses were \$51,727 and income obtained from patient billing and Sugar Hill and Easton subsidies totaled \$52,859 with the net cost for the operation of the Franconia Life Squad to the Town of Franconia being \$0.00 and a net surplus of \$1132. This is the first year the Life Squad has operated with a surplus.

The new ambulance that was put into service in 2008 was specifically designed to treat and transport patients. The ambulance currently operates at the Intermediate care level and in early 2009 will be upgraded to Advanced Life Support at the paramedic level.

I sincerely thank the townspeople for their continued support. I especially thank the members of the Life Squad for their countless hours dedicated to serving others in their community.

Paul Schmucker - Chief
Franconia Life Squad

TRI-TOWN TRANSFER STATION

As some of you know the recycling market prices took a dramatic drop in October of 2008 and continued into the 1st quarter of 2009. This equates to a 57% decrease in recyclable income. The markets have started to rebound and hopefully will continue throughout 2010.

Recycled Products:

- Paper – 168 tons.
- Aluminum cans – 3.7 tons.
- Tin cans – 7.6 tons
- Scrap metal – 20 tons
- Glass – 75 tons
- Textiles – 4 tons
- #1 Plastics – 5.6 tons
- #2 Plastics – 5.5 tons

I want to thank all the Tri-Town residents for their recycling efforts. A special thanks to all my employees for making 2009 another successful year.

FRANCONIA/EASTON/SUGAR HILL RECREATION COMMITTEE

The Tri-Town Recreation Department has had another phenomenal year. A huge THANK YOU goes out to all who made this happen.

We started with a great winter for skating and cross country skiing. The weather cooperated. We had Family Skate Nights on Wednesdays and skiing on Sunday mornings throughout the winter. This will all happen again so be sure to check the town website for updates and details; www.franconianh.org There is now music at the skating rink.

Trails are abundant in the Tri-Towns and we are in the process of inventorying, maintaining, mapping and making signs with trail information. We have organized a group of trail enthusiasts for this purpose, called the "Franconia Area Trails" group or FAT for short. The map will be available this spring if not sooner.

The Old Home Day, Top Notch Triathlon, Franconia Scramble, Hayseed Bluegrass Festival, Halloween Cup Soccer Tournament, Pumpkin Festival and Summer Concert Series were all very successful bringing people and money to town. We hope to improve upon all the above and add new events when possible. The money raised from the Top Notch Triathlon and the Halloween Cup Soccer Tournament are in a fund to help with improvements to the rink. The total from these two events is \$11,000

Baseball/softball, soccer and basketball all had excellent attendance and successes along the way. These programs rely totally on volunteers. Both parents and people without children who just love the game make it all work.

Kris Germain has done another outstanding job of organizing all the youth teams, and the summer program. Without her dedication and organizational skills our heads would spin. A good leader brings out the best in the staff around her and our team of recreation counselors proved just that.

The Tri-Town Recreation Committee meets the first Thursday of every month the location to be announced. Check the town website www.franconianh.org for more details.

Watch for next summer's concerts featuring big names such as; Crunchy Western Boys, Wicked Smart Horn Band, Tuba4th and White Mountain Swing.

NORTH COUNTRY HOME HEALTH AND HOSPICE AGENCY, INC.

North Country Home Health & Hospice Agency has been meeting the home health and hospice needs of the North Country since 1971.

North Country Home Health & Hospice Agency provides skilled services such as nurses, therapists, home health aides, medical social workers, and homemakers. Under our hospice program we also pay for medications for symptom relief, medical supplies and equipment, short term hospitalization and in-patient respite care, counseling and pastoral support. Our Compassionate Care program provides limited amounts of free skilled care to those living with a life-limiting illness who are not eligible for traditional hospice benefits. In January 2007, we added hospice volunteer services to improve our continuum of care by creating an even stronger program of hospice and palliative care for residents. In 2009, we traveled 221,820 miles to provide 23,315 visits to the residents in our 21-Town service area.

North Country Home Health and Hospice relies on Town support and individual donations to help underwrite the cost of providing home health and hospice care to residents who are uninsured or underinsured. The Board of Directors and Staff of North Country Home Health & Hospice are grateful for your continued support of our work in this community and look forward to working with you to meet the home care and hospice needs of the residents of Easton.

BOYS & GIRLS CLUB OF THE NORTH COUNTRY

The mission of our Club is to provide a fun, safe and positive place for all kids of the North Country, under the guidance of caring adults.

Believe it and you will see it!

The Board of Directors and the greater North Country community are celebrating what many feel is the most successful after-school program ever developed in the North Country and the fifth year of the existence of the *Boys and Girls Club of the North Country (BGCNC)*.

In the early days of our formation, when word got out that our founding board wanted, for the sake of the children of our community, to form a Boys & Girls Club, I am sure that many skeptics quietly said to themselves, “**Sure! I will believe that when I see it.**”

But here we are five years later, and we see this club because we believe in the dream of a stronger community. The fact that the *Boys & Girls Club of the North Country* exists is due to our *community* -your collective belief that maintaining a healthy and successful community requires community-wide support-for your children & grandchildren, their friends, your neighbors and your future employees.

The Boys & Girls Club of the North Country is secured only by your belief that we....each and every one of us.... are responsible for the creation of that healthy, successful community in which we all want to live.

The BGCNC provides over 100 area children in grades 2-7 with a safe place to go to socialize, learn new skills, have new experiences, receive homework assistance and realize that the community cares about them. Many of these children would be home alone; out on the streets or worse... if it were not for your Boys & Girls Club.

The BGCNC *After School Program* continues to collaborate with other community youth organizations such as *Copper Cannon Outdoor Education Center, Appalachian Mountain Club, Northern Family Institute in Bethlehem, White Mountain School and Whitefield Elementary School and the Boys Scouts of America*.

Most recently, BGCNC has formed an educational collaboration with the *Littleton School District* through our *Supplemental Educational Services Tutoring Program*. This program provides after school tutoring and transportation for 20 Littleton children, as well as full membership in the BGCNC, without cost to the student or parents. This exceptional collaboration between the Schools and our non-profit organization is a win-win situation for the Town of Littleton and the BGCNC which will translate to other area towns as well.

In our weekly schedule we include several *Boys & Girls Club of America* programs tailored appropriately for our kids. These evidence-based activities focus on the

environment, study habits, confidence, gender issues, sportsmanship, fitness, leadership and community service.

This year's big project involves our move next door to the Evergreen Gymnastics building. Our current clubhouse building is up for sale and our future there is uncertain. Therefore, in order to maintain consistency with our membership we are simply moving up the driveway a few hundred feet. We value our centralized location and look forward to welcoming you to our new club this summer.

Over the past 5 Years the BGCNC has raised and invested over \$650,000 in the children of the North Country and provided services to over 100 children each year. We appreciate the support provided by the Town of Easton.
